

**Riverside Recreation Reserve (RRR)
96 Riverside Road, Dooen, Vic.**

RRR Rules & Regulations

RRR Housekeeping

- All horse manure to be cleared from the indoor arena surface, taking care to not remove surface, and all wheelbarrows to be emptied in manure pile at end of use

PLEASE NOTE: All manure to be picked up immediately from the indoor surface so as not to be broken up and spread over the surface. If you can't pick manure up immediately, please refrain from riding or lunging through manure until it can be cleared away. Thank you for your understanding.

- Driving and parking of vehicles on the indoor surface is strictly prohibited
- Horses not to be tied to indoor arena walls or pillars
- All horse manure and hay/straw to be cleared from all riding surfaces, float/truck parking areas, roadways & yards. To be placed in manure pit, located opposite Clubrooms (do not place around trees).
- Indoor yards to be clean and swept
- Front entrance of indoor to be swept and left clean and tidy, including concrete apron
- All users are to leave the grounds in a clean and tidy state at the conclusion of use:
 - ❖ Toilets/Showers to be clean, swept & mopped
 - ❖ Clubrooms/Indoor Kitchen all dishes to be washed, dried and put away. Floors to be clean, swept & mopped
 - ❖ All rubbish to be placed in external large rubbish bins provided, large rubbish bins are to be used for domestic rubbish – not manure disposal

- **Horses to be hosed in wash bay only, no other areas. Wash bay located at the end of horse yards. Wash bay to be left free of manure/debris and left in a clean state for next user.**
- **No driving of vehicles or parking of horse floats/trucks is allowed upon the main grass arena or the south side of the indoor**
- **All doors & gates to be locked at the conclusion of use (except brick toilet block)**
- **Should any urgent maintenance issues be evident, please inform RRR Committee of Management as soon as possible – Phone enquiries: Sarah Magor – 0447 810 688**
